

Virtual address,  
meeting room, kudos,  
mailbox, receptionist,  
“good afternoon...”,  
pitch winner, attention  
grabber, office.

**FUTURE  
BUSINESS**  
CENTRE

# Whatever you need.

Let us help you make the right impression.

## Future Business Centres - where do you want to be?

For today's businesses, flexibility is the name of the game. As a virtual tenant of the Allia Future Business Centre we give you the flexibility and support you need to thrive and grow, without the cost of leasing office space. Having a virtual office at the Allia Future Business Centre means you can work how and where you want - but with the benefits of a city business centre when you need it.

### THE BENEFITS

- 1. A business address that says something** about your business  
Including professional mail handling and phone answering services if you need it
- 2. Free use of meeting rooms**  
Get free use of meeting rooms every month and 20% off co-working space
- 3. Join a community of like-minded people** - Working amongst businesses committed to making positive impact on people, planet or place
- 4. A prestigious base to help your business expand** - An impressive address, building and service to give you an introduction to markets in Cambridge and Peterborough
- 5. Opportunities to accelerate your growth** - Free specialist business support, including networking events, seminars and workshops
- 6. An inspirational place to be**  
An environment that impresses your clients and investors and encourages innovation, enterprise and creativity.
