DESCRIPTION

Allia Future Business Centres are a community of start-ups and companies that are creating solutions to the world's most pressing issues. With centres in Cambridge and Peterborough and a venture support team in East London, we offer agile workspace, supporting you as your company grows, with flexibility to change office size as your business needs change. We also provide co-working, virtual office packages and affordable event and meeting room space.

Our Peterborough centre brings together startups and companies working in the emerging clusters of a circular economy, Smart Cities and future tech in the UK's Environment Capital. We support businesses of all shapes and sizes so that they can grow and create opportunities for the local community.
